## Filey Town Flexibus

F3

### What is Filey Town Flexibus

Flexibus F3 offers a demand responsive service running in and around the whole town. The service is flexible because unlike services F1 and F2 the times and routes of the journeys are not fixed. So

- if there is not a timetabled journey at the time you want – then Flexibus is the answer.
- if you live in an area of Filey not on services F1 and F2 – then Flexibus can provide you with a bus service.

### Where can I travel on Flexibus

Flexibus can take you anywhere within Filey and this now means there is a bus service for The Beach Road, the Country Park and the West Avenue/Crescent area.

When running along roads not normally used by a bus service then the bus must be able to safely turn round.

### When does Flexibus operate

Between the following times

Monday to Friday 0945 – 1430 / 1630 -1800.

Saturday 0945 – 1430 / 1630 -1800.

Except when the bus is running a timetabled journeys.

### How to travel by Flexibus

Journeys on Flexibus must be booked in advance of travel and bookings should be made at least 2 hours before travel.

For Bookings ring Olympic Coaches on 01723 503172 or 07776 232 195

### A low floor wheelchair accessible bus

During September a new low floor bus will be introduced to run all the town services in Filey. Please look out locally for an announcement.
